Improved access with reduced wait times

Wound care, ulcers, infected cysts, anal warts, incision & drainage, parasite/bug-related concerns, and complications arising from external cosmetic procedures are outside of our scope of practice.

We do not offer second opinions if patient has already been assessed by another dermatologist.

All consultations by FRCPC Specialists

Collaborative Care

Hours are subject to change. Visit www.avantderm.com for updated information.

AvantDerm is more than just a Dermatology clinic. We are located in the heart of the vibrant Distillery District, just steps to live theatres, trendy galleries, award-winning restaurants, boutiques and cafes. Our breathtaking architectural features and chic interior embody style and sophistication.

Inspired by our artisan neighbours, our clinic combines state-of-the art medical technology with classic distillery design elements. It is well worth arriving early to take a stroll down the gallery-lined cobblestone streets, or to enjoy a coffee at a local café.

We are easily accessible by both car and public transportation.
